Subject:- Taking over management of the new Mosque at Masthi built at a cost of Rs.3,000/- and to construct a compound wall out of the General Muzrai Funds.

With reference to your P.C.42/27-28 dated 13th August 1927 I have the honor to forward herewith the entire file of correspondence relating to the above subject received with the Malur Sub-Division Officer's Memo No.R.3-C.236/26-27 dated 29-1-28 but received in this office on the 7th February 1928 and to state as follows:--

As the old and ancient mosque at Masti in Malur Taluk became dilapidated the Mahamadan residents of Masti headed by Muthavalli Syed Mohamed cloth Merchant, built a new mosque within the village after obtaining the required license at a cost of over Rs.3,000/-. Out of which a sum of Rs.1000/- is reported to have been generously granted by H.H.the Begum of Bhopal.

2. It is ascertained that the servants of the defunct mosque began and continue to do their respective services in this new mosque, -- enjoying the Inam lands endowed to the old mosque as noted in the margin and have kept the building very neat and clean.

This amount may kindly be met by Government as a special case in view of the fact that the poor Mohamadans of the place have built the new mosque at a cost of over Rs.3,000/- by raising the amount through subscriptions in and outside the Province.

4. As regards the deepening of the well within the limits of the mosque, a sum of Rs.252/- has been sanctioned for the purpose with the distinct understanding that the well should be made available -.

available both to the Hindus living near as well as Mahamadans.

5. The construction of a small room within the compound is a dire necessity to serve as a store-room to keep the lamps, oil and other vessels of the Mosque, and the cost of construction one is estimated at Rs.200/-. This may be sanctioned as a special case.

6. The question of grant of extra lands will be dealt with in -- due course, as the Sub Division Officer, Malur, has reported that he would submit his report in this respect separately.

7. Under the circumstances the newly built mosque may be recognised to be a Muzrai Institution in place of the old one and the Inam lands - now being enjoyed by the same servants may be transferred to their new mosque.

The amounts viz., Rs.500/- and 200/- required for the putting up of the compound wall and for the construction of a separate store-room, may kindly be ordered to be met out of the Government grant as a special case."

SIR,

Referring to your letter No.2443/Muz.253-27-6 dated 27th June 1928 enquiring how long the old mosque at Wasti in the Malur Taluk was not in existence and how the inam lands were treated during the period and whether it was clear that the inam lands in question belong to the new mosque, I have the honor to forward herewith copy of letter No.A2-C.412 of 27-28 dated 11th September 1928 from the Deputy Commissioner Kolar District stating that the inam lands attached to the old mosque and which are in the khate of Khazi Karim Ulla Sheriff who is now the khaji of the new mosque at the place are shown in the Quit-rent Register as having been granted to the mosque in the Fort and that the name of the khaji should be ommitted.

An extract from the Inam register received with the Inam Superintendent's letter No:113 dated 16th January 1929 is herein enclosed for reference and kind return.

I have the honor to be,

Mosque at Masti, Malur Taluk-Recognition of a Muzrai Institution.

In reply to your Memo No.1.J.42/27-28 dated 7th July 1928 for furnishing information regarding the above, I have the honor to state that it is reported that the old mosque at Masti was in ruins and not in working condition during the last 12 years and that the Inam lands attached to the old Mosque were in the enjoyment of the Khazi Karim Ulla Sheriff who is now the Khazi of the new Mosque at the same place.

It is also reported that these lands are in the ~~xxx~~ Khate of the Khazi Karim Ulla Sheriff and that they are shown in the Quit-rent Register as having been granted to the Mosque in the Fasli. This is irregular. The name of the Khazi should be omitted.

The file of correspondence relating to the subject is enclosed for favour of reference.
